SL Operation Timetable

SL Paleo Express travels 57 km from Kumagaya Station to Mitsumineguchi Station, making a round trip once a day.

*Operating times are subject to change.

SL Reservation Process

Advance reservations (credit card payment) through the "Chichibu Railway SL Reservation System" or purchase at the ticket counter are required. Reservations for SL reserved seat tickets are accepted from one month prior to the date of operation to 30 minutes prior to departure.

*Reservations will be closed when all seats are filled on each day.

Only for Members
Chichibu Railway SL Reservation Page

- [New Reservation](#)
- [How to make a reservation](#)
- [Change of Member Information](#)
- [Inquiries about Reservations](#)

Please be sure to check before making a reservation.

- Please check the [Chichibu Railway's website](#) for the latest operation status before you come.
- SL trains may be cancelled or suspended at short notice, in the event that a train is cancelled, we will not be able to provide information on the time after the train has been suspended (e.g., when it can be seen at station). Please be aware in advance.
- Please note that the SL train may be changed from SL to EL (electric locomotive) at short notice due to unavoidable circumstances.

For more information on how to ride the SL and make reservations, please visit the Chichibu Railway website.
